Miku

Jiggly puff a pink ball with oval-y feet and oval-y hands with 2 blue anime eyes.

Esther

Blatense Blue turtle with two water cannons. Simple as that. xD

Carolynn Adams

Rapidash A unicorn that 'set fire to the mane'

Kathryn Hardy

bulbasaur (is that how you spell it?) its like a little cute fat dinosaur with a bud on it's back. it is green and has some spots on

Jesse Perkins

Magma: it is a butt on fire with a duck beak and some eyes.

Shoebill

Shoebills are tall, shaggy like their relative pelicans. They have a large, flat bill that is used to catch fish. They are found in the wetlands of the Great Lakes and are known for their unique call, which sounds like a loud, deep "shoebill". They are also known for their ability to catch fish by using their bill to scoop up the water and then shake the fish out.
